

## Writing Your Essay

As part of the application process here at Verity College Education we ask that you write a brief essay introducing you to us. We use the essay as a way of identifying your capability in English composition and as an opportunity to get to know you better. It is a fairly straight-forward process; our expectations regarding content and format are as follows:

- The content should be your testimony of faith in Christ and your goals in seeking higher education.
- The structure should be as follows:
  - Name and date
  - Title
  - Introduction (usually introducing who you are as a person)
  - Body (outlining your testimony and your goals in seeking higher education)
  - Conclusion
